**READ THESE INSTRUCTIONS FIRST**

Write your Centre number, candidate number, name and question number on the labels provided and attach to the top right-hand corner of the front of **each** sheet of paper.

Choose **one** of the questions given overleaf from **any** of the sections. Your work for this paper may, but need not, be related to work submitted for Components 2, 3 or 4.

The examination assesses your response to visual stimuli and involves direct observation from primary sources, recording, analysis and 2D and/or 3D development.

At the end of the examination, fasten all your work securely together in the top left-hand corner with the Controlled Test examination piece(s) on top.

All questions in this paper carry equal marks.

- 8 Fruits and vegetables of different colours placed on a mirror.
- 9 The whole or upper part of a figure playing a musical instrument.
- 10 Reflections in a shop window.
- 11 Interpret the whole or any part of this extract:

'We lit the candles and set them about, each in its proper order: two on the mantelpiece, one on the piano and one on a plate in the window. Each candle suspended a ball of light, a luminous fragile glow, which swelled and contracted to the spluttering wick or leaned to the moving air. Their flames revealed our faces by the light they threw.'
