

# DESIGN AND TECHNOLOGY

---

## GCE Advanced Level and GCE Advanced Subsidiary Level

Grade thresholds taken for Syllabus 9705 (Design and Technology) in the October/November 2009 examination.

	maximum mark available	minimum mark required for grade:		
		A	B	E
Component 11	120	72	65	35
Component 12	120	70	63	35
Component 31	120	85	75	44
Component 32	120	85	75	44

The thresholds (minimum marks) for Grades C and D are normally set by dividing the mark range between the B and the E thresholds into three. For example, if the difference between the B and the E threshold is 24 marks, the C threshold is set 8 marks below the B threshold and the D threshold is set another 8 marks down. If dividing the interval by three results in a fraction of a mark, then the threshold is normally rounded down.

Grade Thresholds are published for all GCE A/AS and IGCSE subjects where a corresponding mark scheme is available.
